---------- Read in English on your Kindle with greater fluency and a deeper understanding with the Collins COBUILD English/Japanese Advanced Dictionary of American English. Created especially for Japanese learners of English, this dictionary with clear definitions, real English examples, detailed grammar information, and over 90,000 Japanese translations, helps you use and understand English like a native speaker. COMPATIBILITY Fully compatible with Kindle Paperwhite, Kindle (4th generation), and Kindle Touch Headword search via keyboard input supported on Kindle Fire, Kindle for Android, and Kindle for iPhone/iPad; default dictionary feature not supported. FEATURES Japanese translations of senses, examples, and labels All examples come from the Collins Corpus, a database of real English

examples containing over 4.5 billion words Collocations: Full-sentence definitions are written using high-frequency words and show the word in context, with the words that native speakers naturally use with the defined word Natural English: Each example is a model of how to use the language appropriately Phrasal verbs and idioms explained 3,400 most commonly-used words clearly marked Kindle Paperwhites Vocabulary Builder makes lists of words to study as you use the dictionary Style labels tell you whether a word is formal, offensive, funny, old-fashioned, etc. Grammatical patterns show you how words fit together Helpful notes on word usage, pronunciation, and differences between American and British English Nouns marked as countable or uncountable Lists of peoples, countries, and currencies
