

Letters from the Campaign Trail: LaRue for Mayor

Ike finds his civil liberties at risk when Hugo Bugwort, the hard line mayoral candidate, promises to crack down on free-roaming, fun-loving dogs. As the anti-dog rhetoric escalates, Ike is compelled to join the political fray and run for mayor himself. Bugwort rethinks his pooch-policies when Ike selflessly helps rescue him after he collapses at a campaign rally. Told through letters to Mrs. LaRue and local newspaper accounts, Mark Teague delivers another excellent execution of split-screen visuals and uproarious escapades of the unforgettable Ike.
