

The Barbour Collection of Connecticut Town Vital Records. Volume 35: Preston, Parts I & II (1687-1850)

Covering 137 Connecticut towns and comprising 14,333 typed pages, the Barbour Collection of Connecticut birth, marriage, and death records to about 1850 was the life work of Lucius Barnes Barbour, Connecticut Examiner of Public Records from 1911 to 1934. This present series, under the general editorship of Lorraine Cook White, is a town-by-town transcription of Barbour's celebrated collection of vital records, one of the last great manuscript collections to be published. Each volume in the series contains the birth, marriage, and death records of one or more Connecticut towns. Entries are listed in alphabetical order by town (also in alphabetical order) and give, typically, name, date of event, names of parents, names of children, names of both spouses, and sometimes such items as age, occupation, and place of residence.

Genealogical Publishing Company has now published forty-three volumes of the Barbour Collection, spanning the Connecticut towns of Andover through Stonington. This volume, which marks Marsha Carbaugh's third contribution to the Barbour series, names 30,700 individuals.
