

## Dominoes: Starter Pack 2016

Four-level graded readers series, perfect for reading practice and language skills development at upper-primary and lower-secondary levels. Dominoes is a full-colour, interactive readers series that offers students a fun reading experience while building their language skills. With integrated activities, an interactive MultiROM, and exciting, fully dramatized audio for every story, the new edition of the series makes reading motivating for students while making it easy for you to develop their reading and language skills.
