

## Essential Business French (Essential Business Phrasebooks)

This collection of essential business phrases is designed for easy reference by anyone using French in a business context. The book is divided into 35 short sections each dealing with a typical business situation or subject, eg advising, computers, negotiations, telephoning. Each of these sections presents a planned sequence of phrases for use in the particular context. These phrases can be used as scripts when preparing for a specific activity (a meeting, a phone call) or simply as a checklist. This book is a resource for the travelling businessman or woman and a support for those following language options in BTEC, RSA and business language options on degree courses.
