

Welcome to the first volume of Prime Number Magazines Editors Selections. In the first year of our free, quarterly online magazine, we published more than 60 pieces of fiction, poems by more than 60 poets, and nearly 20 essays. We loved them all, or we wouldnt have published them. But there isnt room for everything in a single book, so we began the excruciating process of choosing. We are pleased to present these Editors Selections, representing less than a quarter of the wonderful work from the magazine. Were certain youll like what you read here and hope that youll be a frequent visitor to PrimeNumberMagazine.com.
