

Learn Shona: An Introductory Course for English Speakers

Learn Shona is an ideal short introductory course for English speakers learning Shona. Does your family speak Shona but you do not? Are you a Shona-speaking parent but you do not have structured material to teach Shona to your English-speaking children? Are you visiting Zimbabwe and would like to learn Shona? Do your friends speak Shona but you do not? Are you a non-Shona speaker living or working in Zimbabwe wanting to learn Shona in a structured way? If you answered yes to any of the above questions then this is the right book for you. The book assumes no prior knowledge of Shona and will help you master the basics. The book has simple rules to help you learn Shona without learning complex grammar rules. To help you practise, there are practice questions at the end of the chapter and answers at the end of the book. On completing the course you will be able to do the following: greet and introduce people; understand basic expressions; build simple sentences; ask questions; express your emotions; and count in Shona. The book also provide some insights into Shona culture. The book also has reference material to access when needed.
