

Olive, My Love

The beloved--but confused--pup Olive is back! But this time shes not heading off to the North Pole to help Santa. . . . This time shes out to return a one-of-a-kind lost object: a heart. And not just any heart, but a heart as large as Olives own. In her search to find its one, true owner, she makes the acquaintance of a cast of characters who show her what it truly means to give all of ones love. Only J.otto Seibold and Vivian Walsh could have dreamed up this wacky and wittily heartwarming story in which anything can happen if you only follow your heart.
