

Organizational Behavior

Luthans: Organizational Behaviour was the first mainstream organizational behaviour text on the market and continues its tradition of being the most current and up-to-date researched text today. The author, Fred Luthans, is well known in this field, and is the 5th highest Publisher in the Academy of Management Journal. He continues to do research in the area of organizational behaviour. This text is aimed at professors who take a research based and conceptual approach to their OB course.
