

Uncover Level 3 Students Book with Online Workbook and Online Practice

Developed in partnership with Discovery Education, Uncover combines captivating video from Discovery Education and stimulating global topics to motivate students and spark their curiosity. Up to four videos in every unit make learning relevant and create opportunities for deeper understanding. Guided, step-by-step activities and personalized learning tasks lead to greater speaking and writing fluency. Includes access to the Cambridge Learning Management platform with the complete Students Workbook online with extra resources, games and interactive video activities. Teachers can use the platform to track students progress and ensure more effective learning. Digital Students eBooks are also available.
